

International / Export

ITW Buildex® exports to more than 18 countries throughout Asia, Africa, Europe and the Pacific, and has recently opened an office and warehouse facility in Dubai to service the Middle East and Indian sub-continent.

All screws and fasteners shown in this section are for our international customers only and not available for sale in Australia.

If you are located outside of Australia and require further information on fasteners suited to your requirements, please contact our International Export Department: international@buildex.com.au
